API Supporters and Fellow Golfers:

Its that time of year again to start thinking about golf, we at the Central Wyoming Chapter API hope you can join us for our **2018 API Scholarship Golf Tournament!** This year's tournament date is **June 7th and 8th at the Casper Country Club.** We are again offering an opportunity for either morning or afternoon shotgun starts, depending upon availability. This year's event promises to deliver the same exciting event that everyone has come to love about this tournament. There will be food, fun, friends, drinks and of course the opportunity to hit the golf ball! We are counting on you, our valued sponsors and players, to help make this tournament a continued success. With your financial support, we can continue to hold one of Casper's finest tournaments and reward scholarships to deserving young students in our industry throughout the area.

Last year our golf tournament raised over \$20,000 for scholarships to local students whom greatly appreciated and deserved assistance. As a sponsor of this tournament, you and your company will be part of this worthwhile endeavor. **We will show our appreciation by recognizing your company as a sponsor at every opportunity we can seize during this event.** Please review the Sponsorship options and their levels of recognition.

Please do not miss this opportunity to be involved with one of Casper's finest golf tournaments and fundraisers for education! We look forward to receiving your entry and sponsor form. **Those with a team in 2017 will have right of first entry until May 15th. After this date teams will be open to all.** Please mail the form and payment to:
